

Providing medical treatment and emotional support to burn survivors and their loved ones.

2021 Mid-year Appeal

**GROSSMAN
BURN
FOUNDATION**

DEAR FRIENDS,

As we cross into the second-half of 2021 and what may be a social and active post-pandemic era, we at Grossman Burn Foundation (GBF) hope you and your loved ones are happy, healthy, and optimistic for what the future holds. We know COVID-19 brought insurmountable change and loss for many, and although the virus and its consequences have not been fully eradicated, we are here for you and look forward to fully reuniting with our community. In particular, GBF is most excited about further growing its many programs and partnerships both locally and globally. From patient treatment to burn-prevention education, we seek to serve not only burn survivors and their loved ones, but to also raise awareness and educate the greater community (especially high-risk groups) on burn-prevention and safety measures. Please visit our website at www.grossmanburnfoundation.org to learn about our many programs.

Warm Regards,
Muriel Fremy, Executive Director
